## Position Vacancy

### Licensed School Psychologist, Doctorate

Cambridge School, in Pennington NJ, a K-12 school for students with language-based learning differences, is seeking a dynamic School Psychologist with a Doctorate in School Psychology to join the Diagnostic Center. The Diagnostic Center at Cambridge School was created in 2016 in response to the needs of the greater community to assist in the identification and diagnosis of language-based learning differences including: dyslexia, dysgraphia, dyscalculia, expressive/receptive language disorder, and ADHD.

#### Duties and Responsibilities:

1. Conduct all aspects of a comprehensive Psycho-educational Evaluation including:
  - a. Detailed developmental history addressing academic, social and physical development.
  - b. Selection of a battery of assessments in response to student's area of need.
  - c. Development and dissemination of detailed written evaluation with diagnosis and detailed summary of recommendations.
2. Lead the coordination of the multi-disciplinary assessment to include Speech and Language Evaluation and/or Occupational Therapy assessment as needed.
3. Establish recognition of the Diagnostic Center at Cambridge School in the local community as a resource for high quality and comprehensive Psychoeducational Evaluations.
4. Develop outreach to schools and professionals in the area as well as on social media sites to heighten awareness of the Diagnostic Center.

#### Qualifications Summary:

Doctoral degree in School Psychology  
Fully licensed or License eligible in the state of New Jersey

**Salary:** Negotiable.
