Dear Prospective School Psychology Intern:

The Pennsauken Public School District is accepting internship applications for the 2019-2020 academic school year. We anticipate 6 full-time, stipend positions, beginning in September 2019 and concluding in June 2020. Pennsauken Public School District is a highly competitive internship program, offering candidates the following opportunities:

**Thorough Training and Support**
* Individual supervision weekly with a certified school psychologist;
* Monthly training seminars on a variety of topics;
* Opportunity to work with seasoned and dynamic school psychologists, social workers, speech therapists, occupational and physical therapists, and learning consultants.

**Diverse Cultural and Classification Experiences:**
* Diverse populations, including ages 3 -21, Pre-k to 12th grade; 18 – 21 year program
* Autism, Behavioral Issues, Medically Fragile, CI, SLD, ED; In-District Alternative Programs; and Out of District placements
* Vocational planning, transition planning, community-based instruction, career counseling,
* Family work, parenting groups, issues counseling, and work with local agencies supporting our students.

**Pennsauken supports for interns includes:**
* Fully insured, professional liability;
* Provisions for each intern— laptop, all needed office materials, equipment & supplies;
* Wide variety of most current test and assessment tools and supplies; and
* Opportunity to engage in research interests.

Interested parties should send current CV, transcripts, and letter of interest to:
