

SPRING 2017 SEMESTER CLASS SCHEDULE

Monday, January 23, through Friday, May 5, 2017

11/3/16

The following courses offered by Lehigh University's Graduate College of Education afford professional leaders in the field of education an opportunity to advance in the subject areas of their special interest. Lehigh University reserves the right to change the rules affecting admission, tuition, fees, courses, students and granting of degrees at any time. The University also reserves the right to cancel or reschedule classes. The CRN is required during the registration process. Each course number is assigned its own CRN, therefore, cross-listed course numbers have different CRNs. **If a course is cross listed, code letters appear in the CL column. Enrollments of cross-listed courses pull from all sections preceded by that same code. If a course has a √ behind it, you need to get an override to register. Non-degree students may register for courses with a "o," however, if it's listed as "o," need to get program permission to take that particular course.**

IMPORTANT: if you are looking at a printed copy, updates are located on our website coe.lehigh.edu/admissions/course-listings-registration under "Course Listings and Registration"
