Also, please describe or provide a link to program admissions policies that allow students to enter with credit or prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:
A maximum of 45 hours can be credited for previous graduate work; however, the University requires hat students complete a minimum of 48 credit hours post-master's at Lehigh to receive the PhD degree. Coursework taken more than 10 years prior to entering the program is not credited toward the hours needed to complete the degree program.
