

Superintendent – Shippensburg Area School District

The Shippensburg Area School District Board of Directors seeks a dynamic individual with integrity, visionary leadership, superior communication skills, and outstanding administrative ability to lead a district of approximately 3200 students with \$48.5 million budget, effective December 1, 2017. Candidates must exhibit leadership in: achieving high academic performance, creating academic equity, and management of school finances. Candidates must also exhibit excellent communication and leadership skills, with a commitment to establishing a collaborative relationship with instructional staff. Additionally, candidates must exhibit experience with curriculum development and implementation, knowledge of educational and innovative technology, and success in community engagement and involvement.

Prior central office experiences as superintendent or assistant superintendent desired, with the superintendent letter of eligibility required. Doctorate preferred.

Interested candidates should apply at the district web page at: <http://www.shipk12.org> . The deadline for filing applications is 4:00 PM on September 22, 2017 or until the position is filled. Inquiries can be made to:
