

# LET'S MAKE A PACT!

## PARENTS OF CHILDREN WITH AUTISM AS BEHAVIOR TECHNICIANS

Lehigh University  
**Autism Services**

- Is your child between the ages of 2-5?
- Do you suspect your child may have autism spectrum disorder, or are they diagnosed?
- Are you the primary caretaker and spend a minimum of 20 hours per week with your child?
- Do you identify as Latino/Latinx/Hispanic?

Researchers at Lehigh University are interested in collaborating with parents who need early intervention services for their children. **Your participation is voluntary!**

You will receive:

- Free education and training by experts in ABA for 6 months via teleconferencing in English or Spanish
- Tablet, video camera, and online courses
- \$50 for completing forms
