

**JOB POSTING:** **Registered Behavior Technician**

**ORGANIZATION** Lehigh University Autism Services

**DESCRIPTION** Lehigh University Autism Services implements applied behavior analysis through natural environment teaching strategies to teach communication, behavioral, and social skills for children diagnosed with autism spectrum disorder.

**This is a part time position with hourly work up to 25 hours per week.** Flexible schedule desired to work morning, afternoon, evening, and weekend hours as needed.

**Position Summary:**

The Registered Behavior Technician (RBT) functions primarily as a direct instructor of autism specific individualized interventions utilizing the principles of Applied Behavior Analysis (ABA). RBT will be supervised by Board Certified Behavior Analysts (BCBAs) and will work in conjunction with doctoral and masters students in School Psychology and Special Education.

**Essential Job Functions:**

- Responsible for implementation of skill acquisition and behavior reduction programs using ABA principles, as designed by the supervising BCBA.
- Implements programming in one to one or settings in the clinic, home, daycares, schools, and in the community.
- Collects, records and graphs data to track client progress in a timely manner.
- Completes attendance records and session notes on an online management system in a timely manner.
- Organizes and creates instructional materials.
- Participates in training related to applied behavior analysis and autism as requested by the supervising BCBA
- Attends supervision meetings on an as-needed basis (schedule to be determined).
- Works collaboratively and demonstrates a professionalism with colleagues, supervisors, related service providers, and families.
- Is receptive and responsive to supervision and feedback regarding job performance from supervisors and families.
- Is punctual and reliable, showing up on time for each scheduled session.
- Communicates and receives authorization from the supervisor for shift changes, vacations, and missed sessions.
- Ability to travel within 30 miles of Lehigh University.

**POSITION  
REQUIREMENTS**
