

# SPRING 2019 SEMESTER CLASS SCHEDULE

Monday, January 21, through Friday, May 3, 2019

11/12/18

The following courses offered by Lehigh University's Graduate College of Education afford professional leaders in the field of education an opportunity to advance in the subject areas of their special interest. Lehigh University reserves the right to change the rules affecting admission, tuition, fees, courses, students and granting of degrees at any time. The University also reserves the right to cancel or reschedule classes. The CRN is required during the registration process. Each course number is assigned its own CRN, therefore, cross-listed course numbers have different CRNs. **If a course is cross listed, code letters appear in the CL column. Enrollments of cross-listed courses pull from all sections preceded by that same code. If a course has a √ behind it, you need to get an override to register. Non-degree students may register for courses with a "◊," however, if it's listed as "◊\*," need to get program permission to take that particular course.**

**NOTE:** classes start at 10 minutes past the hour, but due to space limitation, listed below as on the hour. For example 1-4p is 1:10-4p; 4-7p is 4:10-7p and 7-10p is 7:10-10p.

**IMPORTANT:** if you are looking at a printed copy, updates are located on our website [ed.lehigh.edu/academics/course-listings-registration](http://ed.lehigh.edu/academics/course-listings-registration) under "Course Listings and Registration"
