

# SUMMER 2018 SEMESTER CLASS SCHEDULE

5/16/18

The following courses offered by Lehigh University's Graduate College of Education afford professional leaders in the field of education an opportunity to advance in the subject areas of their special interest. Lehigh University reserves the right to change the rules affecting admission, tuition, fees, courses, students and granting of degrees at any time. The University also reserves the right to cancel or reschedule classes. The CRN is required during the registration process. Each course number is assigned its own CRN, therefore, cross-listed course numbers have different CRNs. **If a course is cross listed, code letters appear in the CL column. Enrollments of cross-listed courses pull from all sections preceded by that same code. If a course has a v behind it, you need to get an override to register. Non-degree students may register for courses with a "o," however, if it's listed as "o," need to get program permission to take that particular course. OPEN LEARNING COURSES (courses which do not meet every week for the entire semester) are indicated with an "O" — there is NO automatic waitlist function for these courses. See [summer.lehigh.edu/calendars-summer-2017](http://summer.lehigh.edu/calendars-summer-2017) for the full calendar, but make up days are listed below.**  
**IMPORTANT NOTE:** In order to avoid delays during registration, current Lehigh students are required to complete the preregistration survey each semester in advance of the registration period. Instructions have been sent to your Lehigh email address. If you have not completed the survey, please use this link and follow the instructions: <http://lehigh.edu/registrar/students/preregsurveyinfo.html>

— ON-LINE REGISTRATION FOR SUMMER BEGINS ON MONDAY, APRIL 16, 2018 —

**IMPORTANT: if you are looking at a printed copy, updates are located on our website [ed.lehigh.edu/insidecoe/ehs](http://ed.lehigh.edu/insidecoe/ehs) under "Course Schedule and Documents"**
